Dear Partner in Mission,

2025

We would like to tell you about the opportunity to partner with Aurora Christian Schools Sycamore Campus as we plan our Annual 'Evening in the Garden' Auction on **April 5, 2025 from 5-9 PM at Blumen Gardens and ask you to allocate part of your 2025 charitable giving to our event.** This fundraiser benefits ACS Sycamore Campus, which exists to **lead students to a personal relationship with Jesus Christ, educate them from a Christian worldview, and prepare them for a life of service to Christ and their world.**

Sponsoring this event offers competitive benefits to businesses like yours including the following:

- **Reach a large audience of community members**
- **Brand exposure** through physical and digital marketing, onsite recognition, and more
- **Targeted marketing:** Reach an audience who appreciates service to the community and companies like yours who give back
- **You look good when you donate!** We feature you on our social media. Share our content for an easier way to grow your business.

ACS Sycamore (formerly Cornerstone Christian Academy) has been serving families in our community since 1975, offering a Christ-centered education that nurtures students both in faith and learning. Your support makes it possible for us to continue this mission and impact the next generation of leaders.

We hope you consider participating as a corporate sponsor for this special event. If you have any questions about supporting ACS Sycamore Campus please feel free to contact us at **auction@aurorachristian.org**. Thank you for your consideration and for being a valued part of our mission.
